

A Forwardian Poet

Anita Everhart

Anita, originally of Clearwater, Florida, started writing songs at the age of ten, with a dream of being a singer and songwriter. One day she started writing books and poetry, and found that writing fiction - poetry and hot action romance books- is where her heart beats.

We are honored to present her work titled, “Leaving nothing behind .”

**You’ll be able to read her work in Sections H of our magazine through our link at:
