

A Forwardian Photographer

Joanne Bridgman

Joanne is new to photography when it comes to showing her photos in public, but she found the Muse early on. Her father, who has taken many prize-winning photos, was her inspiration to pursue the art of photography. She's an award winner, having received first and third place awards at the Coolbaugh Township Historical Museum's 12th Annual Art Exhibition in Tobyhanna. Last year, her photo "Blue Rays" won 1st place in the Reader's Photo

Contest in the Pocono Record, and three of her photos were on display at the Northampton Community College in Tannersville.

We are honored to present her work titled, "Snow Barn."

You'll be able to read her work in Sections H of our magazine through our link at: www.theforwardianartssociety.com/Forwardian-3-Contents.html.
