

A Forwardian Photographer

Terry Flatt

Terry was born in Oklahoma and grew up in the Midwest before moving to the Poconos in 1985 where he teaches Voice, Music Theatre and Opera in the Music Department at East Stroudsburg University. He is mainly a self taught photographer learning from books, magazines, and other photographers. He prefers scenic and nature subject matters, but his involvement with the Pocono Photo Club has greatly expanded his to other areas. He has traveled to over 40 states as well as Europe and South America taking many photos along the way.

We are honored to present her work titled, “Colorado Aspen.”
